

2013 FLSTN SOFTAIL® DELUXE

Color Shop Custom Paint: Limited – Old School

The Softail® Deluxe is one of our most iconic motorcycles, loaded with heritage. But that doesn't mean you can't change history. Go crazy and make it your own with unexpected touches like Skull & Chain trim, Nostalgic White Hand Grips and a diamond-stitched Solo Spring Saddle with white piping, just for starters. Don't worry, the hand-stripped Old School Limited Paint Set and the blacked-out front end and exhaust will help keep you grounded – even as you let your imagination soar.
